This research note summarizes information regarding the BC Lions Alumni Association Foundation associated with the BC Lions.

### Introduction

Professional sports clubs are very popular in Canada. However, foundations associated with them are not well known. In an effort to present some of those foundations, a number of research notes are prepared for all Canadian foundations associated with professional sports clubs in the major professional sport league, namely hockey (National Hockey League (NHL)), football (Canadian Football League (CFL)), baseball (Major League Baseball (MLB)), basketball (National Basketball Association (NBA)), and soccer (Major League Soccer (MLS)).

The mapping exercise presents each Canadian foundation along two main sections: descriptive and financial. An overview research note (PARG 2023-23RN) presents the series of research notes, including a list of professional sports clubs' foundations by city and a list of professional sports clubs' organizations by specific sport in Canada (see also Appendix A).

## Financial Information

Financial information was obtained through the Canada Revenue Agency (CRA) website and more specifically the T3010. The T3010 is the Registered Charity Information Return that is required for all registered charities operating in Canada. Schedule 6 of the T3010 provides rich information on a foundation's assets, liabilities, revenue, and expenditures. Financial data from 2018 to 2023 was gathered through T3010 returns published on the Canadian Revenue Agency (CRA) website. The three most recent years are presented. Unlike financial statements, the T3010 does not provide comparatives from the previous year. Each year must be viewed individually.

The year end of the organization is December 31. The financial information was not in Schedule 6 - Detailed financial information, but only in general Section D for 2020 and 2021. For 2022, it was the Schedule 6.
